BUILDING SAFETY CERTIFICATE

This is to certify that the school building Montfort School, Sawalivihir Bk, Tal. Rahata, Dist. Ahmednagar is having 3 Blocks Ground Floor + 2 Floors & it is fit enough and safe for using as school building. During inspection it is found that the building was constructed as per the drawings available for it, designed by the component authority. No half crack or deformed is found in the building. Moreover the classrooms are constructed as per the standard specification of CBSE and the building is provided with sufficient Entrance / Exit for safety purpose. The construction was done as per the standard PWD Building code of practice. This certificate is valid from 01.04.2025 to 31.03.2026.
